MID-YEAR ASSEMBLY DINNER JANUARY 30

**QUALITY INN,
TOMS RIVER**

Mid-Year Assembly to Stress Membership

The Mid-Year Assembly of District 7500 will be held on Monday, January 30 with registration and cocktails (cash bar) starting at 5 p.m. at the Quality Inn, Toms River. The program will begin at 5:30 sharp and will include an inspirational membership initiative seminar and an opportunity to catch up on all the good things happening in our District. All District 7500 Rotarians are encouraged to attend. Dinner is only \$15 per person and you have a choice of three entrees.

The keynote speaker will be Carol Toomey, RI Public Image Coordinator for Zone 32 and PDG of District 7910. She will speak on "Building the Brand of Rotary". Also speaking will be Joseph Laureni, who will talk about membership growth.

DG Gary Siciliano will chronicle the state of the District and we will have updates on the major projects that our District is pursuing. There will also be a pre-PETS meeting, with registration at 3:45 p.m. and a meeting from 4 to 5:30.

GSE Team Selected for Trip to Brazil

Photo (lt to rt): Stacy Perrine, Melissa Savage, Diane Rotondelli (team leader), Tonya Hassel, Nick Cieslinski

The Group Study Exchange team that will visit Brazil for the month of May has been selected. Under the direction of Team Leader Diane Rotondelli of Brick Rotary, four young business and professional leaders from around District 7500 will have an experience of a lifetime. Their goals are to study the institutions and ways of life in the Minas Gerais State of Brazil, observe their own vocations as practiced there, exchange ideas and develop personal and professional relationships. They will live with Rotarians from District 4580, the home of Rotarian Wellington Rocha and the Brazilian GSE team that visited us last year. The team members include Nick Cieslinski, a technical support

specialist and data base administrator from Barnegat Light, NJ; Tonya Hassel, a middle school science teacher from Vincentown, NJ; Melissa Savage, a teacher from Brick, NJ; and Stacy Perrine, a senior municipal planner from Brick, NJ. Minas Gerais borders the state of Rio de Janeiro and the team will be sure to visit that famous city. The economy of the region is based on farming, cattle-raising and milk producing. The district has 44 Rotary clubs with some of them located in historical cities such as Ouro Preto, Mariana, and Congohas. Fred Gibbs of Pemberton Rotary is the GSE Outbound Chair and feels this is one of the best teams our district has ever sent out.

ASBURY PARK ROTARY

Photo: Dr. Tony Godlefski leads the Starlite Chorale

Starlite Chorale Presents Christmas Concert

The Starlite Chorale under the direction of Dr. Tony Godlefski presented a concert of "Christmas Treasures" at the Jersey Shore Arts Center, November 27th 2011 in Ocean Grove, NJ. This was the 24th consecutive concert sponsored by the Rotary Club of Asbury Park to raise money for scholarships for seniors in the area high schools.

Club President Bob Johnson introduced the Starlite Chorale and related how the event started when the late Rotarian Rev. Al Beemer arranged for the singers to come to Ocean Grove as a Rotary fund raiser in 1987. His wife, Ruth, still faithfully attends. The concert has been eagerly awaited every year since.

The highlight of the evening was an audience participation of the Twelve Days of Christmas. Funds are raised through local business sponsorships.

BRICK MORNING ROTARY

Comedy Night and Chocolate Tasting Vendors Needed

Vendors are needed for the Brick Morning Rotary's Comedy Night and Chocolate Tasting event on February 20, 2011 at the Brick Elks, Old Hooper Avenue, Brick, NJ from 7-9pm. Bakeries, restaurants, chocolate makers, and specialty chocolate vendors are invited to provide sample size products for guests who pay an entrance fee to taste the items. There is no participation fee for the vendors who are supplying the sample products. The last two years averaged 100 attendees. This event is a great marketing tool for vendors who will be helping the Brick Morning Rotary raise funds for local club projects. For information on vendor participation at the event contact brickmorningrotary@aol.com or John at 732-779-5427.

BEVERLY ROTARY

Beverly Rotary Has Busy Month

The Rotary Club of Beverly will have to catch a second wind after the marathon of activities they have conducted from late fall through December. They will have placed more than 600 dictionaries for third graders in schools in five towns, given a party for residents of a home for aged women, rung the bell for the Salvation Army and had the first drawing of their 20-week fund raiser. They will also celebrate with a holiday party and present gifts to children at the Beverly School. They also awarded \$2200 in gift card, (\$50 and \$100) to needy families. Well done, Beverly!

BRICK MORNING

Brick Morning Holds Providence House Party

The Brick Morning Rotary Club held a party for Providence House residents on December 3rd from 3 to 6 p.m. Providence House is a "safe house" for battered women and their children. The party took place at the DAV building in Brick and has been an ongoing event since 1996. The Rotary Club provided food, a dj, Santa, and gift-filled stockings.

TOMS RIVER EVENING

Jim Everett, Chairman of the Jingle Bell Run for the Toms River Evening Club, reported this year there were 676 runners for the 5K, which is an increase of 76 over last year and 128 runners for the 1 mile run, which is 50 over last year.

He also thanked Monsignor Donovan Interact, the TEAM students from Toms River High School South, as well as all the Rotarians who made this successful run possible.

The Gift of Life Update by Larry Ninerell, Chair, D7500, GOL.

The Gift of Life has been evolving since it began with the Manhasset Rotary Club on Long Island, NY and by District 7500, when it was adopted during Michael Colasurdo's term, as Governor. Rotary programs, in the eastern United States, then around the world, adopted lifesaving programs in countries where there were no services for children with congenital heart defects. These Rotary programs, about 70 in all, followed the model of bringing the child to an advanced country and performing a cardiac procedure at a cooperating hospital for a token fee of \$5000. The visibility of a child with their mother won the hearts of Rotarians and many stepped forward to house, drive, shop, and give general support.

Soon teams of medical personnel were visiting countries where there was a need. Our district for several years has been supporting the missions of Dr. William Novick, Founder of the International Children's Heart Foundation. A familiar name, Dr. Kathleen Fenton, is supported by the ICHF for her work in Nicaragua. Dr. Novick has embarked, with a medical team, on a mission to the Ukraine, which we are supporting in the amount of \$10,000.

The other program with which we are becoming increasingly involved is the Gift of Life International Foundation. The GOLFI consolidates Rotary programs around the world. Executive Director, Rob Raylman travels and initiates funding from Rotary programs and non government organizations (NGOs). There are numerous corporations, foundations, and medical teams that contribute funds for logistics and personnel. Because of NGO support, all funds contributed by Rotarians

are designated for children's cardiac procedures.

GOLI continues to send children for individual procedures to advanced countries. In addition, GOLI sponsors missions to various parts of the globe. Our developing focus is sustainability. With individual procedures and missions there is often inadequate after care and there is no addressing of future needs in deprived locales. With sustainability, people, equipment, and facilities are developed with the purpose of targeted countries taking care of their own. The current focus is known as "Our Hearts are in.....". There are three countries designated for sustainable programs; Uganda, El Salvador, and Jamaica. To these countries several missions are sent to sequentially develop self-reliance. District 7500 has contributed \$10,000 for continued development of the program in El Salvador.

The mission in which I participated was the fifth of six to El Salvador in 2011. Other missions were sent to El Salvador in the previous two years. At this point Salvadoran doctors are performing most of the pediatric cardiac procedures, nurses are being trained, and equipment is being upgraded. Uganda and Jamaica are less developed but headed toward self reliance.

In a future article, I will give a more detailed report on the mission to El Salvador. We are currently visiting clubs in the district giving general information about the program and specific information about the October 2011 mission to El Salvador. To schedule a presentation of the current Gift of Life activities by Larry Ninerell or one of our trustees, contact Larry at LR9rell@aol.com

JACKSON ROTARY

Jackson Rotary Celebrates 40 Years of Rotary Service

The Rotary Club of Jackson celebrated 40 years of Rotary service to the community with a holiday party at Westlake Golf and Country Club filled with good food, fellowship and the music of Frank Sinatra as performed by Jonni Drue.

Club president Luke Stango presided over the evening activities that included the recognition of four charter members still with the club: Don Bates, Richard Borys, Bernie Reider and Ted Sonderman. Luke recounted the club's many activities such as Food Bank support, special needs fishing tournament and barbeque, dictionaries for third graders, holiday gifts for needy families and soldiers. Internationally, Jackson Rotary supports polio eradication, potable water, Shelter Box, Gift of Life and Haitian disaster relief. Special thanks went out to Helen Cirulli who planned and put the memorable evening together.

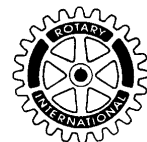

PHOTO CAPTION: (lt to rt) Bernie Reider, charter member, past president; Don Bates, charter member, past president, former mayor of Jackson; Ted Sonderman, charter member; Luke Stango, club president; Mark Calzazzo, assistant governor; Gary Siciliano, district governor

Ambassadorial Scholar Reports from London

Leslie Labruto from Spring Lake, NJ is representing District 7500 and the Rotary Club of Spring Lake/Brielle as an Ambassadorial Scholar at Imperial College of London studying for a Master's of Science in Sustainable Energy Futures. In her first report since arriving in England in October, she expresses her Rotary Ambassadorial Scholarship experience to date as "life changing." The course Leslie is taking is described as an academic intersection of business and engineering and is precisely what she has been craving academically since she discovered her love for renewable energy at the age of fourteen. Besides her studies at the college, she attends and gives presentations at Rotary meetings and

has even been to a district conference. In the summer of 2012, Leslie plans to visit Africa to participate in a program to give out rechargeable batteries to power lights and small appliances. Leslie writes, "I have not forgotten the reason why I am receiving a world-class education and experience is solely because of Rotary. Coming from a household with a single-working mother, I never could have dreamed that I would be studying in London meeting true movers and shakers in the energy industry while simultaneously deepening my commitment to humanity as I embrace Rotary's ideals. My gratitude and appreciation for Rotary grows with each conversation I have and individual I meet. With two months

completed, my role as a global citizen is finally coming to fruition with much more to absorb and much more to accomplish in the coming year." Money to pay for Leslie's well-deserved scholarship comes from donations by our district's Rotarians to the Annual Program Fund of The Rotary Foundation.

Editor's Request

We would like to begin a new column in the newsletter called Happy Dollars (Thanx Sheila Vinton, DGN for naming the column) that recognizes life events of our fellow Rotarians. Please send me anything you have about members whose good news can be shared with the District, such as new jobs, new companies, promotions, births, adoptions, engagements, weddings, degrees and graduations, awards, or other similar topics. Send to rplatlacey@optonline.net. We would also like to recognize service anniversaries of members who have dedicated so much time to Rotary. Secretaries, please go over your membership lists and let me know when members reach the month of a milestone anniversary with Rotary, starting with five years. Send as above with club name.

Paul Harris for Member's Grandson and PDG's Great Grand- son

The Toms River Sunrise Rotary presented a Paul Harris Fellowship to Noah Eberhardt, newborn grandson of the late Patti Hecht. The award was given in lieu of flowers when Mrs. Hecht passed away on June 14, 2011. She was the wife of former Club member, Michael Hecht. Noah's great-grandfather, Jean Hecht, was the founder of the Toms River Sunrise Club and Past District Governor.

BRICK MORNING ROTARY

Brick Morning Collection Nets \$7000 in Food and \$800

The Brick Morning Rotary collected over \$7000 worth of food and \$800 in cash on two days in solicitations in front of the Brick A & P and the Brick Shop Rite. Collections committee chair Barbara Kochie and distribution chair Gene Ann Pesano reported that forms were given to shoppers asking for items for specific meal items on their way out of the store and it is obvious that there were many generous people in Brick.

The food was donated to four families chosen by Ocean County Social Services and to Providence House and the Brick Community Food Bank.

50/50 Raffle

The Brick Morning Rotary is holding a 50/50 raffle to be pulled at the Comedy Night and Chocolate Tasting on February 20, 2012 at the Brick Elks, Old Hooper Avenue, Brick, NJ at 8:30pm. The cost of the tickets is \$100. A maximum of 150 tickets will be sold. The prize will be 50% of however many tickets are sold. Funds raised from the event will support local club projects. For tickets for the raffle contact Rich Lau at 732-267-0960.

Brick Morning Rotary Moves

The Brick Morning Rotary Club will now meet Wednesdays at 7:30 am at the Brick Diner, 906 State Highway 70 in Brick.

GREAT BAY ROTARY

Photo: Scott Hazzard (ctr) and his wife (lt) receive flowers from Carolann Eggert

Great Bay Rotary 15th Anniversary Celebration

The Rotary Club of Great Bay combined the celebration of their 15th anniversary of service to the community with a Christmas party filled with the spirit of fellowship and inspiring music. On December 8th 2011 at the Tuckerton Beach Grille Restaurant in Tuckerton, club president Scott Hazard led the tight knit group of Rotarians in a program that left all attending with the feelings of the season and of pride for their Rotary club's many accomplishments. The highlight of the celebration was the performance of spiritual Christmas music by local artists Ed and Vicki Nees. At the end of the evening it was announced that Scott Hazzard and his wife are celebrating their 50th wedding anniversary. A basket of flowers was presented to them by Carolann Eggert.

Toms River East Interact Provides Halloween for One Thousand

The Interact Club of Toms River East High School held a Community Trick or Treat party at the High School on October 28 from 4:30 to 6 p.m. Club members dressed in costume and decorated the entire first floor of the High School where they welcomed over 1000 costumed children and parents to the halls and rooms of the school and gave out over 4000 pieces of candy. Under the direction of Rotarians Mary Jean and Bill Thompson, the Club provided a safe night of treats for the participants. This club is a wonderful extension to the tenets of Rotary and prepares students for a future of community service and hopefully as Rotarians.

Students await the opening of the Interact Halloween Party

Governor's Message

“Public image and membership go hand in hand” says RI President Kalyan Banerjee in his letter in the August '11 issue of the ROTARIAN. What a coincidence as

this is just what DGN Sheila Vinton and I had in mind when planning this year's District 7500 Mid-Year Assembly for January 30 in Toms River. As was mentioned during my visits to the clubs, we must increase our numbers with quality Rotarians to better serve the communities in which we live and the world. We have two noteworthy speakers scheduled to talk on these important subjects. Carol Toomey is a PDG

from D7910 and RI's Public Image Coordinator for Zone 32. I had a spirited discussion with her on advertising Rotary at the recent Zone Institute in Boston. She will have some good ideas for us to try. Joe Lauren is a PDG from District 7490 and Zone 24-32 Assistant Rotary Coordinator. He is a recent recipient of the Service Above Self Award, RI's highest honor for individual Rotarians who exemplify humanitarian service. We will hear about successful membership strategies in use around the district as well as membership and public resources available from RI. I hope many can attend. The District Conference preparations for the cruise to Bermuda are steaming along. About 180 adventurous souls have signed up so far. There are still cabins reserved for us. All you have to do is contact Rotarian Ted Friedli at Excel Travel. Remember the cancellation date is Feb-

ruary 25, 2012 so there is still plenty of time. We have a Pre Conference Cruise Party planned for Tuesday, January 31, 2012 at the Draft House in Long Branch, NJ. Representatives from the Royal Caribbean Cruise line and the Bermuda Travel Bureau will be on hand to answer questions. Everyone is invited, especially those who are considering going but have not made the decision yet. It will be a good chance to meet our fellow cruisers and make new friends. It's January now which means there is less than half the Rotary year left to implement those great ideas for service. President Kalyan says, “When we reach within ourselves and our clubs, when we learn what we are capable of and harness that power, we will elevate our communities as never before – and elevate Rotary as well.”

GOVERNOR'S CRUISE MESSAGE

Greetings Rotarians, Friends and Fellow Cruisers,

Now that I have visited all the Rotary clubs in District 7500, I am very pleased with the enthusiastic response I have received concerning the District Conference cruise to Bermuda. Why not make this a conference to remember by inviting friends and family along? What a great Christmas gift it would make. Keep encouraging you fellow club members to attend. I have a feeling there are quite a few giving it serious consideration.

Our travel agent-extraordinaire and fellow Rotarian, Ted Friedli, has arranged a pre-cruise party for Tuesday, January 31, 2012 at the Draft House in Long Branch, NJ. Food will be provided to go with special drinks and a cash bar. This will be a great opportunity to meet our fellow cruisers and start making plans for

the Rotary fellowship that we will surely have. Even the undecided Rotarians are invited. We'll try to get them on board!

The news from Rotary International is our RI President's Representative will be Sherry Nielson, a State Farm Insurance Agent from Lurie, Missouri. She is a past district governor from District 6080 and we look forward to hearing the message of Rotary Service from RI President Kalyan Banerjee.

The Rotary program is a very important part of this conference. We have some excellent presentations planned. If you wish to be part of the program or present a special service project that your club performs, let me know.

As you may have heard me say many times, I feel fellowship is a very important part of Rotary. This Conference Cruise will go a long way to building friendships that can only result in stronger Rotary clubs

and more service to our communities.

Looking forward to sharing Rotary with you all.

Gary Siciliano
Governor
Rotary District 7500

PRE-CRUISE PARTY

at The Draft House in Long Branch
Tuesday 1/31, 530pm-830pm
www.thedrafthouse.nj.com,
Corner of Second Ave and Brighton
Ave. (one block West of Ocean Ave.)

EVERYBODY IS WELCOME,
whether you are booked on the
cruise or not, so bring your family
and friends!!!

GOVERNOR'S PLEDGE:

If we get 250 people to attend this District 7500 Conference, I, Gary Siciliano, will participate in the Belly Flop Contest. Of course, only if you promise to cheer me on and applaud heavily.

Explorer of the Seas

Gift of Life Saves 11 Children

The Gift of Life Foundation of District 7500 lived up to its purpose in October when a medical training mission to El Salvador was responsible for saving the lives of 11 Salvadorian children. A medical team from the University of Michigan traveled there to share their knowledge and expertise and move the Salvadorian pediatric cardiac program one step closer to sustainability. Unlike previous missions, the Salvadorians were primarily accountable for the surgeries and the ICU aftercare by nurses specially trained by the Michigan medical team prior to the operations. Half of the funding for this training mission came from Rotarians in District 7500 through their club's contributions to Gift of Life 7500. Our financial support is a wonderful example of how the global network of Gift of Life and Rotary work together to save children's lives and empower healthcare professionals around the world to care for their own children. PDG Larry Ninerell, Gift of Life 7500 Chairman and Maple Shade Rotarian, travelled with the team to El Salvador and witnessed two of the life-saving heart surgeries. He says it is one of

Alejandra recovers from life-saving surgery performed during recent mission

Larry Ninerell with child surgery patient in El Salvador

the most miraculous things he has ever experienced. He also visited five Salvadorian Rotary Clubs while there to give presentations. Larry will also present a program of his trip to El Salvador at Rotary club meetings in this district. Contact him to make a reservation. The Children's Heart Gala is the

major fund raiser of the year for District 7500's Gift of Life Foundation. It will be held on March 24, 2012 at the Crystal Point Yacht Club in Point Pleasant with dancing to the music of a live band. All are encouraged to support this essential Rotary program
